From just over $2 to $5 a day

BEFORE

Just over $2 for 9 hours

AFTER

$5 for 8 hours

The hidden cost was turnover.

370%

50,448 hired to keep an average 13,623 workers

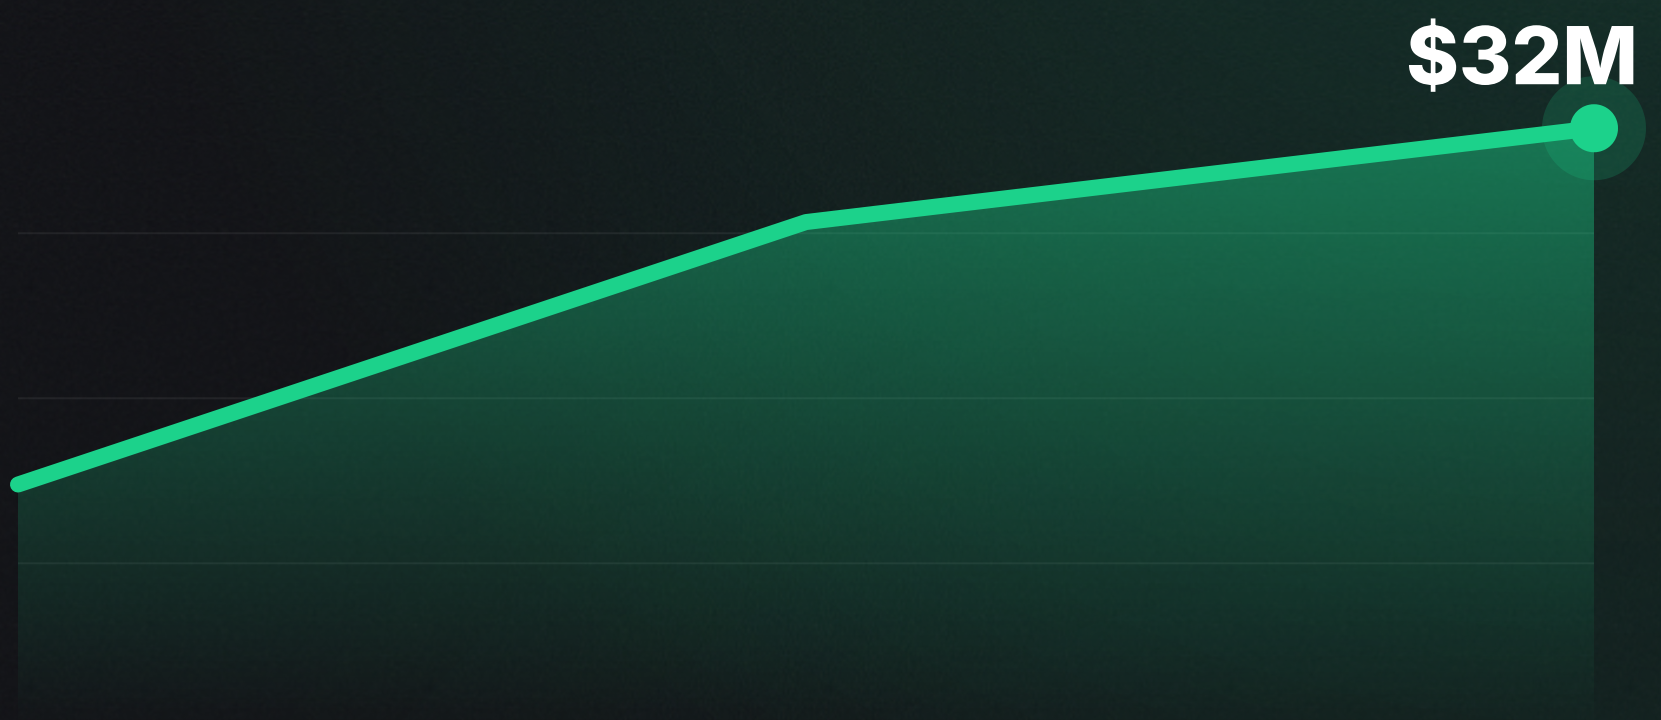
Every quit meant hiring and training again.

The crowd at Highland Park

10,000+

job seekers crowded the plant for weeks

Profits rose



Ford profits, $ millions (EBSCO Research Starters)

The catch: inspectors checked workers' homes and habits.

> Ford's 'Sociological Department' decided who qualified.

Pay was cheaper than churn.

DO THIS TODAY

Price yourself like Ford did:

1. List what it costs to replace you
2. Note the knowledge only you hold
3. Bring both to your next pay talk
