Gillis Lundgren, on an IKEA catalogue shoot.

The Lövet: a leaf-shaped side table.

🍃 Leaf top

🪚 Legs off

📦 Flat box

It became IKEA's first flat-pack product.

Flat = less air to ship.

ASSEMBLED

Ships mostly air

FLAT-PACKED

Ships the product

Lundgren later designed the Billy bookcase.

Retired in 1962. Back in 2013.

1956 Lövet launches

1962 Production ends

2013 Returns as Lövbacken

DO THIS TODAY

Stop paying to move air:

1. Cancel unused subscriptions
2. Drop fees for things you don't use
3. Question idle space you pay for
