LATE 2016

Toblerone didn't change the box. It took chocolate out of the middle.

Same shape on the shelf.
Less bar inside.

BEFORE

400g · 170g

AFTER

360g · 150g

They widened the gaps between the triangles.

-10%

400g to 360g

Higher ingredient costs.

> "We carry these costs for as long as possible."
> Mondelez

Customers called the new shape "stupid."

> Press Association headline, 2016

The original shape returns in a 200g bar.

2016 360g

July 2018 200g

Mondelez said sales went up.

150g

The smaller bar sold more after the change, Mondelez said

Shrinkflation: less product in a familiar pack.

> We watch prices, not grams.

YOUR MOVE

At the shelf, check the unit price:

1. Look for price per 100g
2. Compare two sizes
3. Note what shrank this year
