# One change: the music.

> French wine outsold German 40 to 12.

# Same shop. Same shelf. Two weeks.

> French and German music on alternating days, in a UK supermarket's wine aisle.

# French wine won.

# Your choices have a soundtrack. Decide before you hear it.

YOUR RULES

# Shop like the music isn't there.

1. Write the list at home
2. Shop with your own headphones
3. Wait 24 hours on anything over your limit
